

The first and the best
online nursing journal available!

Digital interactive edition of the official journal of the
American Nurses Association...now available on
ANA's website with exposure to over 220,000 nurses!

"First
mover" in
electronic
delivery of high
quality nursing
editorial...
in a format that
benefits
advertisers!

American Nurse Today e-Edition was introduced in October, 2007 to the nursing community as the first and only broad-based fully digitized nursing journal that is interactive, searchable AND offers advertisers online exposure! The unique format of the **e-Edition** allows viewers to read every single page of every issue, share content with colleagues and interact with advertisers through FREE links to your website.

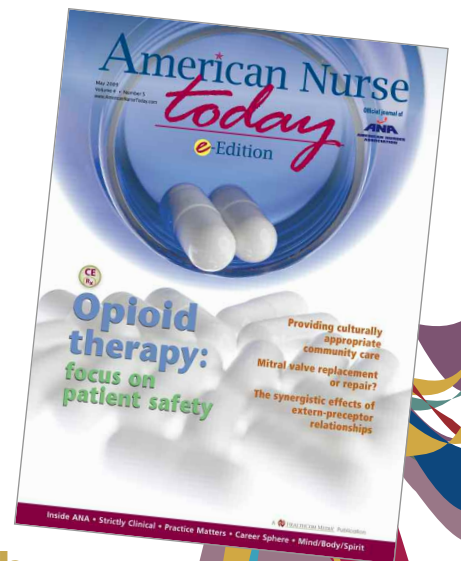

Staying ahead of the curve of medical publishing technology, the **e-Edition** provides a unique user experience. Join our growing family of advertisers in the print edition of **American Nurse Today** and enjoy the benefits of electronic promotion at no charge!

**NOW AVAILABLE:
Electronic cover wrap
sponsorship!**

Maximize exposure to virtual readers through exclusive or shared promotion on the "portal" or "landing" page of the **e-Edition**. If you are looking for a unique way to get your message on the internet, our electronic cover wrap delivers! Your company's products or services is right there BEFORE readers open the journal.

Exclusive sponsorship—\$7,500/month

**Shared sponsorship—maximum of
3 category-exclusive sponsors—\$2,500/month**
